

# How to Start Learning and get Certificate

## Step -1

After Check Out Membership

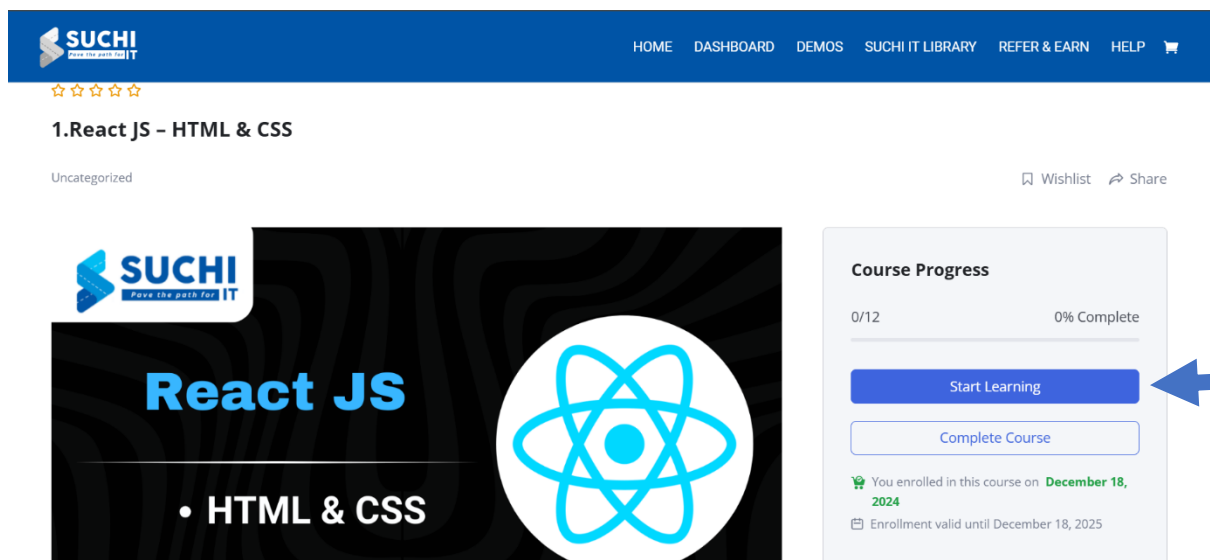

Click on Enroll Course

## Step – 2

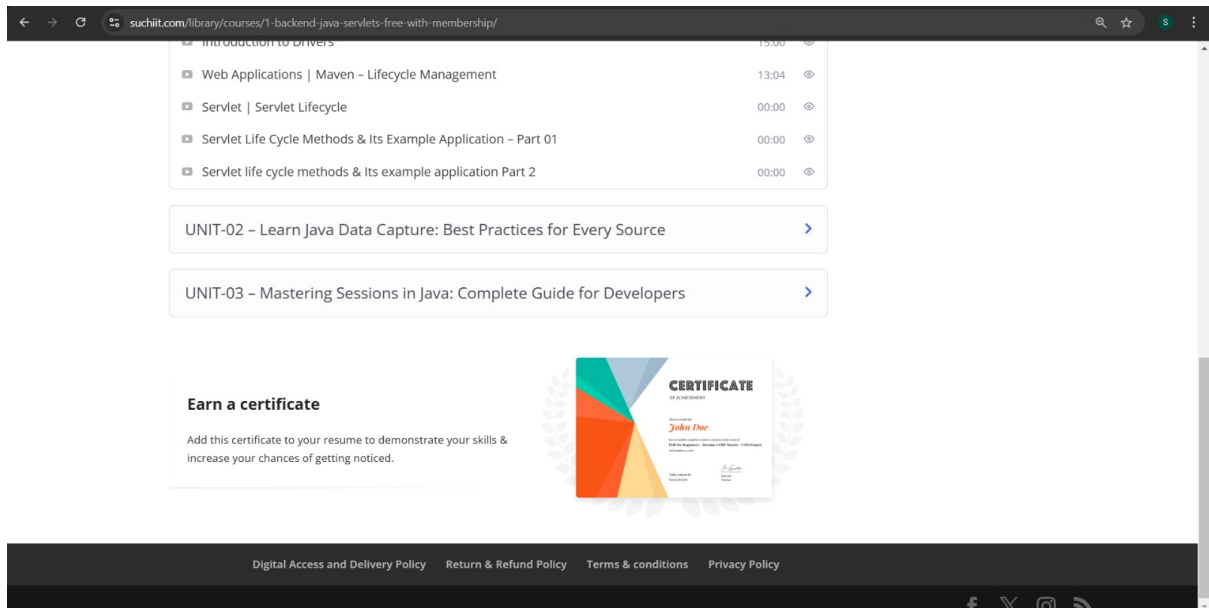

It will be Redirected to this page

And Click on Start Learning

### Step - 3

After Completion of all Classes you will get Certificate automatically

The screenshot displays a web browser window with the URL [suchiit.com/library/courses/1-backend-java-servlets-free-with-membership/](https://suchiit.com/library/courses/1-backend-java-servlets-free-with-membership/). The page lists several video lessons in a table:

Lesson Title	Duration	Icon
Introduction to Drivers	15:00	👁
Web Applications   Maven - Lifecycle Management	13:04	👁
Servlet   Servlet Lifecycle	00:00	👁
Servlet Life Cycle Methods & Its Example Application - Part 01	00:00	👁
Servlet life cycle methods & Its example application Part 2	00:00	👁

Below the table, there are two expandable units:

- UNIT-02 – Learn Java Data Capture: Best Practices for Every Source
- UNIT-03 – Mastering Sessions in Java: Complete Guide for Developers

At the bottom, there is a section titled "Earn a certificate" with the text: "Add this certificate to your resume to demonstrate your skills & increase your chances of getting noticed." To the right of this text is a graphic of a certificate. The certificate is titled "CERTIFICATE OF ACHIEVEMENT" and is awarded to "John Doe" for completing the "Backend Java Servlets Course". It includes a signature line and a date field.

The footer of the page contains links to "Digital Access and Delivery Policy", "Return & Refund Policy", "Terms & conditions", and "Privacy Policy". Social media icons for Facebook, X, Instagram, and RSS are also present.
